**Re: Andrew Dubler v. Hangsterfer's Laboratories, et al.  
United States District Court  
District of New Jersey  
Civil Action No. 1:09-cv-05144-RBK-JS**

Dear Judge Schneider:

At the hearing of Plaintiff's Motion to Compel documents on Monday September 20, 2010, you indicated that the defendants were to provide the development documents and initial formula for Hangsterfer's products NeoSol 200, NeoSol 300, and NeoSol 400 by October 4, 2010. However, in your Order of September 21, 2010 you have required that the production be made by October 1. My client has been away a portion of this week, and I will be on trial in Warren County New Jersey next week. As such I am requesting that your order be modified so as to permit the defendants until October 4, 2010 to serve the documents.

Respectfully Submitted,

/s/Susanna J. Morris
